Attn: ARPA-RFP Coordinator

To Whom it May Concern:

I am writing to support the application of the Urban League of Rochester, NY, Inc. and their partners for the Unemployed/Underemployed Workforce Development Program

KBH Environmental, LLC is a versatile environmental service organization that provides a wide range of products and services that include: Asbestos Abatement, Lead Removal, Mold Remediation, PCB Decontamination, Industrial Cleaning, and much more. Teamed with Power and Construction Group, Inc., KBH Environmental provides the highest level of cross trained skilled trades, and works closely with our clients in every situation, through each phase of a project to ensure solutions that are custom designed to best fit our clients and the environment.

If awarded funding for the development of this program, KBH Environmental will work in collaboration with the Urban League of Rochester and its partners to provide information regarding our company and the work that we do, while also presenting available employment opportunities for qualified program participants. KBH Environmental is passionate about providing career and additional training opportunities to our communities most underserved and underrepresented populations.

In conclusion, KBH Environmental fully supports the Urban League of Rochester's application for funding to provide environmental abatement and remediation training, as well as other supports to assist in the development of credentialing and employment for those who continue to experience barriers to meaningful employment and the accumulation of intergenerational wealth.

Sincerely,
