

Plan Forward will address big, global concepts like sustainability, social equity, energy supply & conservation, and climate change adaptation in ways that are appropriate and unique to Monroe County, while at the same time addressing local challenges like accessibility, economic development, recreation, food accessibility, and transportation.

Thoughts and ideas from those of you who live, work, and play in Monroe County are extremely important to the plan, and opportunities for discussion will be provided throughout this process. Take a look at upcoming engagement events or sign up for updates to get involved and stay engaged!
